

Associate Veterinarian - Hospitalist

MedVet Mobile is seeking an Associate Veterinarian (Hospitalist) for our growing ER and surgical hospital. The ideal candidate will have 3 years general practice experience, be internship trained, or have primary emergency experience.

MedVet Mobile is a 24/7 emergency and multi-specialty hospital that is AAHA accredited.

We are committed to a collaborative, team-focused approach to comprehensive care.

Responsibilities include:

- Seeing same day transfers from referring partners.
- Overseeing inpatients across the hospital.
- Updating clients and referral partners on patient status.
- Supporting the ER and surgery with procedures, patient recoveries, records and communication both to clients and referral partners if needed.
- Contributing to the ongoing training of clinical team members.
- Acting as a referral partner liaison to strengthen our relationships within the community

Everything Starts with Our Caregivers

- Our doctors are eligible to become shareholders - a rare **opportunity to have ownership** and share in the growth and success of MedVet hospitals across the country.
- We offer all the benefits you expect, plus a **Generous Signing Bonus, Competitive Compensation, Shareholder Opportunity, Student Loan Repayment Program** and **Paid Parental Leave**.

Come see why we love living in Mobile! Mobile is considered the cultural center of the Gulf Coast and is the birthplace of Mardi Gras in the US. If you're an art enthusiast, a foodie, a history buff, or a beach comber, you'll find something in Mobile for you. The warm year-round climate, nearby beaches, friendly, diverse population, and great cost of living just can't be beat!
